Application Process

Rockford College accepts applications from all students who meet the entry requirements published in the course prospectus and website. Applications are accepted on a first come, first serve basis but if a course is full, you will be offered a place in a course starting at a later date.

To apply to enrol in a course, you must complete an Enrolment Form for International Students, which is available through our web site or through the authorized representative of Rockford College. If you are applying for a course that has entry requirements you will also need to provide the necessary evidence such as verified copies of previous qualifications, identification including your passport, schooling, and evidence of English Language level (within the last 2 years) such as IELTS or TOEFL.

If you are applying for credit you should indicate this on your enrolment and supply certified copies of your transcripts, so we can assess your application for credit. See the section on credits in this Handbook.

Once you have completed your enrolment form and gathered all the necessary evidence, send it to admissions@rockford.edu.au. Upon approval of your enrolment, you will be sent a formal Offer Letter (i.e. a legal agreement between the Student and Rockford College) and an invoice for required payment of tuition and other fees. You need to carefully go through this offer letter and sign it if all terms and conditions are found acceptable. Once we receive this signed agreement and payment, we will issue an Electronic Confirmation of Enrolment (eCoE) for you. With this eCoE, you can then apply for a student visa (Subclass 500) with the designated visa office (<https://dfat.gov.au/about-us/our-locations/missions/Pages/our-embassies-and-consulates-overseas.aspx>).

For visa application process, visit website of Department of Home Affairs (www.homeaffairs.gov.au). If the outcome of visa application is positive, you need to provide us further information about your flight, temporary accommodation arrangement, emergency contact details, etc. On arrival in Australia, you need to participate in an Induction/Orientation program, where you will get to know campus, Critical Incident Procedure and all other details. Inductions are usually held two weeks prior to course commencement date and our admission team will notify you in advance.

If you are an onshore student, you need to provide your Unique Student Identifier number to Rockford College.

For more information about our application process please visit our website;

<https://www.rockford.edu.au/application-process/>

Unique Student Identifier (USI)

A Unique Student Identifier (USI) is a reference number made up of numbers and letters that creates a lifetime record for an individual of all the nationally recognized training that has been completed. Under the Unique Student Identifiers Act 2014, all RTOs must ensure they have a valid USI for any student that enrolls in nationally recognised training from 2015. This means (unless you have an exemption issued by the USI registrar) that as a student you must either:

- Provide us with your USI, or
- Provide us with permission to access or create your USI on your behalf.

For information about exemptions for individuals please review this webpage: <https://www.usi.gov.au/training-organisations/training-organisation-requirements/exemptions-individuals/how-apply>

If you are providing us with permission to access or create your USI we will need a valid form of identification.

If you would like to create your own USI, please visit: <http://www.usi.gov.au/Students/Pages/default.aspx>

We are unable to issue a qualification or a statement of attainment unless we have a valid USI or a notice of exemption from the registrar.

Credits

A credit is formal recognition of the previous studies you have completed for the purpose of reducing the units or modules that you are required to complete in the course you are enrolled in with us.

Rockford College can grant you credit towards your course for units of competency or modules that you have already completed with another RTO or authorised issuing organisation. We can also grant you Credit for subjects or units you have completed where equivalence can be established between the unit/ module in your course, and the subject or unit you have completed.

There is no charge to apply for Credit.

To apply, fill in the Credit Application Form and submit it as part of your enrolment application. You can apply for credit at any time; however, it is best you do this as part of your enrolment so that credits are known upfront and you are not required to do any work that you otherwise may not have needed to do.

Make sure you attach certified copies of transcripts from your previous study. In some cases, we may ask for additional information about the subject or unit you previously studied so we can determine equivalence. Your Credit Application may be returned to you if you don't provide the required information.

In some cases, credits may lead to a reduction in the course fees as there is less work involved in offering your course. This will be advised to you in writing.

You will be advised in writing of the outcome of your Credit Application.

Reduction of Course Duration as a result of Credit or RPL

If Credit or RPL (Recognition of Prior Learning, detailed hereafter) is granted after the acceptance of a place in a course or on commencement of studies, it will affect the duration of studies. Rockford will provide you with a new Confirmation of Enrolment Letter (CoE) detailing the new duration. Thus, credit or RPL may decrease the duration of your student visa.

Recognition of Prior Learning

Recognition of Prior Learning (RPL) is a process where skills and knowledge that you have gained through work and life experience and other unrecognised training can be formally recognised.

Rockford College has a process that has been structured to minimise the time and cost to applicants and provides a supportive approach to students wishing to take up this option. You should ideally apply for RPL at the time of enrolment, but you may also apply up to 2 weeks from the commencement of your study in a unit.

If you think RPL is a suitable option for you, the first step is to contact your trainer/assessor or our office and have a conversation about whether or not RPL might be suitable for you. Suitability is often determined on how much experience you have in a certain area, your work history and previous training. If RPL is determined as a possibility for you, you will be provided with a kit that will guide you in working through each unit to determine relevant skills and experience and identify whether you would be able to provide the required evidence.

A trainer/assessor will be available to assist you throughout this process.

To apply for RPL, you will need to fill in a part of the kit and return it with an RPL Application Form. Your application will then be assessed for suitability, and you will then be contacted by an assessor to progress the RPL process.

From here, usually the RPL process involves gathering evidence to demonstrate skills, knowledge and experience, responding to questions, completing tasks and depending on the area, observation of your work skills in your workplace.

Fees are applicable for Recognition of Prior Learning and you will be advised to pay these fees upon contacting us. Check Schedule of Charges in Letter of Offer for RPL Fees.

For more information about applying for RPL, contact the Administration office. If Credit or RPL is granted after the acceptance of a place in a course or on commencement of studies, it will affect the duration of studies, Rockford College will provide you with a new Confirmation of Enrolment Letter (CoE) with the new

duration. Thus, credit or RPL may decrease the duration of your student visa. You will communicate with Department of Home Affairs regarding the visa.

Introduction to Australia

Covering a total area of 7.69 million square kilometres, mainland Australia is the world's largest island - but smallest continent.

In distance, the continent stretches about 3700 kilometres from north to south and 4000 kilometres from east to west, making it the sixth-largest nation after Russia, Canada, China, the United States and Brazil.

Australia is also the only continent that is governed as a single country. It is sometimes informally referred to as an 'island' continent, surrounded by oceans.

Our ocean territory is also the third largest in the world, spanning three oceans and covering around 12 million square kilometres. We also have one of the most urbanized and coast-dwelling populations in the world, with more than 80 per cent of residents living within 100 kilometres of the coastline. Australia currently has a population of almost 23 million people.

Cities, States and Territories

Australia is divided into six states and two territories.

Canberra is the national capital and is located approximately 290 kms south of Sydney in the Australian Capital Territory (ACT).

Queensland is Australia's second-largest state in size. The state capital is **Brisbane**, the third most populated city in Australia.

New South Wales is Australia's oldest and most populated state. It was originally settled as a penal colony on the shores of Port Jackson where the bustling capital city of **Sydney** now stands. More than a third of Australians live in New South Wales, and **Sydney** is the nation's largest city.

Victoria is the smallest of the mainland states in size but the second most populated. **Melbourne** is the capital and is Australia's second most populated city.

South Australia is a state in the southern central part of the country which covers some of the most arid parts of the continent. It is the fourth largest of Australia's states and shares its borders with all the mainland states and the Northern Territory. The state capital is **Adelaide**, the fifth-largest city in Australia.

At the top end of Australia lies the **Northern Territory**. **Darwin**, on the northern coast, is the capital, and Alice Springs the principal inland town. Alice Springs is the physical heart of Australia, almost exactly at the nation's geographical centre.

Western Australia is Australia's largest state by area. About three-quarters of the state's population live in the capital **Perth**, which is the fourth most populated city in Australia.

Tasmania is separated from mainland Australia by Bass Strait and is the smallest state in Australia. The capital, **Hobart**, was founded in 1804.

Climate

Australia experiences temperate weather for most of the year but the climate can vary due to the size of our continent. The northern states typically experience warm weather much of the time, with the southern states experiencing cooler winters. Australia is also one of the driest continents on earth with an average annual rainfall of less than 600 millimetres. Like all countries in the southern hemisphere, Australia's seasons are opposite to those in the northern hemisphere. December to February is summer; March to May is autumn; June to August is winter; and September to November is spring.

Introducing Sydney

Sydney is the capital of New South Wales and one of the Australia's largest cities. It is best known for the Sydney Opera House and the Harbour Bridge. It is home to beautiful beaches, iconic buildings, historic landmarks, award-winning restaurants, and a vibrant culture.

Take a stroll along Circular Quay and soak up the atmosphere or visit Queen Victoria Building in the heart of Sydney's CBD. Sydney offers an array of cultural activities for people of all ages. Sydney is home to an abundance of cafes, canteens, restaurants, kiosks, gourmet food trucks, popup eateries etc. Sydney is a great place to access international brands and local designers whose wares can be found in shopping centres, outdoor strips and market-style popups throughout the city. Sydney's idyllic parks have garnered international attention for their natural beauty and unspoiled old-world feel. You'll find plenty of things to see and do in Sydney. Sydney Harbour is a natural playground, and the views are world-class. There's a wide-ranging cultural life, a dynamic food scene and vibrant cityscape of outstanding contemporary and colonial architecture. Iconic beaches – most notably Bondi and Manly – and five major national parks deliver unforgettable outdoor experiences.

Cost of Living

International students are required to demonstrate and/or declare that they have genuine access to sufficient funds to be granted a student visa. This includes funds to cover travel, tuition and living expenses. Students may have to demonstrate sufficient funds to cover these expenses for themselves and their accompanying family members while staying in Australia.

While international students can supplement their income with money earned through part-time work in Australia, the 'living costs' requirement helps to support the success of students in their studies by ensuring that they do not to rely on such work to meet all their expenses.

As per <https://immi.homeaffairs.gov.au/visas/getting-a-visa/visa-listing/student-500#HowTo> , from October 2019, Student visa students and their family members must have access to the following funds to meet the living costs requirements:

- Student/Guardian – AUD 21,041 /year
- Partner/Spouse – AUD 7,362 /year
- Child – AUD 3,152 /year per child
- Education cost for school-aged children- AUD 9,800-12,000/year per child (2020-21)

Student must demonstrate that the funds they are relying upon to meet the costs of studying in Australia will be genuinely available to them during their stay in Australia.

While Department of Home Affairs, requires student visa student to possess above mentioned fund, cost of living in Sydney varies per student visa student's lifestyle. A general guide to costs of living (*accommodation, groceries, eating out, gas, electricity, phone and internet, car (after purchase) and entertainment*) per week can be found in the below links.

- Expatistan (<https://www.expatistan.com/cost-of-living/sydney>)
- Study in Australia (<https://www.studyinaustralia.gov.au/english/live-in-australia/living-costs>)

Notifying Change of Address

You must inform the campus of;

- The address where you live in Australia within seven calendar days of arriving in Australia.
- If you change your address, phone number or email address later, you must update us within seven calendar days of the change.
- If you change education provider, within seven calendar days of receiving the electronic confirmation of enrolment certificate or evidence of enrolment, you must notify the campus.

Visas

Most international students wanting to study in Australia require a **student visa**. Some other visa holders are also eligible to study as international students in Australia. Many students apply for a visa themselves on-line or via the Australian Diplomatic Mission in their country. The visa application process can be complicated and for students from some countries it may be better to submit an application with the assistance of an accredited agent due to their familiarity and experience in the field. You should check with the education provider in Australia for their accredited agents in your country.

In order to apply for a visa, you will need a **valid passport**, an **electronic Confirmation of Enrolment (eCoE)** and any **other documentation** required by the Australian diplomatic mission with which you lodge your application.

You must ensure to **allow enough time** for processing between lodging your application and the start of your academic program, as it can be a lengthy process depending on your country of origin. Usually, we advise to start the process at least 3-4 months before the course commences.

Visa Conditions

If you are granted a student visa, you must abide by its conditions. Failure to comply with these conditions may result in the cancellation of your visa. See more information at the following link: <https://immi.homeaffairs.gov.au/visas/already-have-a-visa/check-visa-details-and-conditions/see-your-visa-conditions>

Conditions include (but are not limited to) that you must:

- Remain enrolled in a registered course and maintain enrolment in a registered course that is the same Australian Qualifications Framework (AQF) level or higher for which we granted your student visa, unless changing from AQF level 10 to level 9
- Satisfy attendance and/or course progress requirements and maintain a valid enrolment for your chosen course of study.
- Only work if you have been given permission to do so as part of your visa grant. You can only work up to 40 hours in a fortnight. A fortnight means the period of 14 days starting on a Monday.
- Not work in Australia before your course of study commences.
- Maintain approved Overseas Student Health Cover (OSHC) while in Australia
- Notify your training provider of your Australian address and any subsequent changes of address within 7 days.
- Complete the course within the duration specified in the CoE.

- Remain with the principal education provider for 6 months unless you are issued with a letter of release from the education provider to attend another institution.
- Let your current education provider know that you have changed your education provider within 7 days of receiving a confirmation of enrolment from your new education provider, or evidence you have been enrolled by the new education provider.
- Maintain adequate arrangements for the education of your school-age dependants who are in Australia for more than 3 months as a dependant on your visa.
- Not become involved in activities disruptive to, or violence threatening harm to, the Australian community or a group within the Australian community.

General Conditions of your visa

All international students applying to study a training program at Rockford College must meet the followings:

- **Must be 18 years of age or older. Rockford College does not accept underage students.**
- **Must provide proof of school studies which is equivalent to Australian Year 12 or other higher qualifications.**
- **Must demonstrate good command of written and spoken English.** Must provide evidence of valid academic IELTS score of at least 5.5 overall or equivalent results in other English Language tests within the last 2 years. However, if a student falls into one of the following student categories, he/she is exempt from providing evidence of English language proficiency requirements with visa application:
 - students who have completed at least five years' study in one or more of the following countries: Australia, UK, USA, Canada, New Zealand, South Africa, or the Republic of Ireland
 - citizens and passport holders of one of the following English-speaking countries: UK, USA, Canada, NZ or Republic of Ireland
 - students who have successfully completed in Australia in the English language either the Higher Secondary Certificate of Education or substantial part of studies at the Certificate IV or higher level, in the two years before applying for the student visa.
- **Must meet the following Student Visa 500 subclass requirements –**
 - <https://www.homeaffairs.gov.au/Trav/Stud/More/Visa-conditions/visa-conditions-students>
 - Be a genuine temporary entrant – <https://www.homeaffairs.gov.au/Trav/Stud/More/Genuine-Temporary-Entrant>
 - Meet English language test score requirements – <https://www.homeaffairs.gov.au/Trav/Stud/More/Student-Visa-English-Language-Requirements>
 - Demonstrate financial capacity – <https://www.homeaffairs.gov.au/Trav/Stud/More/Student-Visa-Living-Costs-and-Evidence-of-Funds>
 - Hold Overseas Student Health Cover (OSHC) – <https://www.homeaffairs.gov.au/Trav/Stud/More/Health-Insurance-for-Students>
 - Meet the personal health requirements – <https://www.homeaffairs.gov.au/Trav/Visa/Heal/meeting-the-health-requirement>
 - Be of good character – <https://www.homeaffairs.gov.au/Trav/Visa/Char>

Under Department of Home Affairs' the Simplified Student Visa Framework arrangements (<https://immi.homeaffairs.gov.au/what-we-do/education-program/what-we-do/simplified-student-visa-framework>) streamlined evidentiary requirements apply and the student visa student may be able to satisfy the Department of their financial capacity and English language proficiency by declaration only. This is dependent on the level of risk rating of each student visa application. This is determined by taking into account the risk rating allocated to the country from where the student originates combined with the risk rating allocated to Rockford College as a provider on the CRICOS register. The easiest way to determine the evidence required to satisfy the visa requirements is for the prospective international student to utilise the Document Checklist Tool provided with the Student Visa (subclass 500) requirements page We strongly recommend to use the following link:

<https://immi.homeaffairs.gov.au/visas/web-evidentiary-tool> .

All students, regardless of the financial capacity and English language proficiency will continue to have to meet all other core visa criteria, such as the Genuine Temporary Entrant requirement and health and character criteria.

Department of Home Affairs (DHA)

The Australian Government's Department of Home Affairs provides comprehensive information about student visa requirements and the application process, as well as application document checklists to assist you with your application. Visit [DHA](#) for the latest information.

Education Agents

Education agents promote various Australian education programs and institutions internationally and are a good way for students to apply to study in Australia. Most agents speak both English and the local language, so this makes the application process a lot simpler and generally hassle free for students and parents. Most do not charge for their service as they collect a commission from the institution you choose to attend. However, some agents do charge small amounts or offer additional services for which they charge. It is student's responsibility to keep copy of the receipts for the payments they make to agents. Students need to provide relevant information and documents to agents.

Please Note: Education Agents are NOT licensed to provide migration advice. Please check the campus [website for a full list of agents](#). Students are advised not to communicate with any agent that is not on Rockford's website for getting admissions in Rockford College.

Working in Australia

If you have been granted your student visa, you will receive permission to work with your visa grant. This will also apply to any family member travelling with you on your student visa. You are not allowed to work until your course has started and you can work up to 40 hours a fortnight while your course is in session (not counting any work undertaken as a registered component of your course of study). However, you can work more than 40 hours per fortnight during recognised vacation periods scheduled during the course. Your family members are not allowed to work until you begin the scheduled course. Family members are permitted to work up to 20 hours per week all times after your course has commenced. For those students obtaining a graduate degree, like a master's degree, their family can work unlimited hours.

Further information about student visa conditions can be found at the Department of Home Affairs: <http://www.homeaffairs.gov.au/>

Australian workplace laws provide basic protection and entitlements for all workers in Australia, including workers from overseas. International students have the same entitlements to minimum wages and

conditions as Australian workers, as well as superannuation, workers' compensation and work safety protection under Australian workplace and taxation laws. Minimum wages and employment conditions for different occupations or industries, known as industrial awards, are set out by Fair Work Australia and are available online at <https://www.fairwork.gov.au/awards-and-agreements> .

Australian laws also protect you from being discriminated against at work, for example because of your race or your visa status. This could happen when you are applying for a job, about to begin a job, or at any time during your employment. For more information about discrimination at work, visit

<https://www.fairwork.gov.au/employee-entitlements/protections-at-work/protection-from-discrimination-at-work> .

If you feel you are being unfairly treated by your employer, you can contact the Fair Work Ombudsman (www.fairwork.gov.au) for free advice and complaints assessments. You can also call 13 13 94 from 8am – 5.30pm Monday to Friday inside Australia (except public holidays). The Fair Work Ombudsman is an independent legal agency that provides information and assistance for workers and employers to ensure they comply with Australian workplace laws. Seeking assistance to resolve a workplace issue will not automatically affect your student visa.

The Australian government allows non-Australian citizens to study in Australia with a student visa. A student visa is only issued if you have enrolled and have been accepted through an approved registered Australian Government provider for overseas students. Prior to enrolling it is important that you understand the visa regulation for your country of origin. Details about student visas can be found at www.homeaffairs.gov.au or contact your local Australian Embassy/Consulate. International students are permitted to work up to 40 hours per fortnight during study period and full-time during holidays. Students who choose to work, are required to apply for a work privilege after enrolment. Rockford College does not organize work for students. Work hours are not to interfere with your college timetable. If you require any further information about your workplace rights and obligations, for example, resolving a workplace dispute, visit the Fair Work Ombudsman site at www.fairwork.gov.au

For workplace issues (dispute etc), visit <https://www.fairwork.gov.au/how-we-will-help/how-we-help-you/help-resolving-workplace-issues/working-with-you-to-resolve-workplace-issues>

Tax file number

You must obtain a Tax File Number to be able to work in Australia. This is available from the Australian Tax Office <https://www.ato.gov.au/Individuals/Tax-file-number/>.

Arranging Travel

You will need to make your own travel arrangements to Australia. Please try to arrive at least 1-2 weeks before the start of International Student Orientation to allow enough time for settling-in, adjusting to the climate and overcoming jetlag. If you are travelling with your family, you will need to include their documents as well. **Keep all documents in your carry-on luggage.** In case you lose the originals, make copies that can be left behind with family and sent to you.

Keeping in Contact

Before you leave home, you should provide your family and friends, and your education provider in Australia, with details of your flights to Australia and where you will be staying when you arrive. (Do not change these details without informing them.) Once you have arrived in Australia, you should then let your

The standard voltage for electrical items in Australia is 240V. Electric plugs have three flat pins one of which is an earth pin. You may need to buy an adaptor or have the plugs changed when you arrive.

Note: In the picture, the red dot indicates that the switch is on and power is flowing through that socket.

Clothing

If you arrive in June or July, the coldest months of the year, you may need to bring or buy winter clothing and blankets. You may also need to purchase a heating appliance once you arrive.

On most campuses, students usually dress informally. Jeans or slacks with t-shirts or blouses, sneakers or “running shoes” are almost standard dress. Shorts are often worn during the summer months and sandals are the most common footwear. It is acceptable for both men and women to wear shorts and sleeveless t-shirts. This is common during the hotter months.

While there are no set rules on clothing in Australia, however many workplaces, restaurants, clubs and bars have a dress code. Australian people generally dress in modern clothing influenced by personal taste, status, place of work, lifestyle and location.

The cost of clothing in Australia can vary. There are a number of quality variety stores such as K-Mart and Big W where you can find low-cost clothing and shoes of all varieties. Department and specialty stores such as Myer and David Jones carry more expensive higher end clothing labels.

For more information about the cost of living, visit the Study in Australia website at:

<http://www.studyinaustralia.gov.au/global/live-in-australia/living-costs>

Budgeting

Once you’ve settled in, you should ideally work out a budget that covers costs including clothing, food, accommodation, transport and entertainment, travel costs and childcare, if applicable.

Costs associated with living in Australia are included at:

<https://www.studyinaustralia.gov.au/english/live-in-australia/living-costs>

It is important to be aware of how much money you spend and where you are spending it. Sticking to a budget will ensure you are on top of where your money goes.

Read more about budgeting at www.understandingmoney.gov.au

Bringing Goods

Bringing a PC or laptop into Australia may be a little more complicated. Laptop computers and other similar electronic equipment for personal use may be brought in duty free provided the Department is satisfied these goods would be taken back on departure. However, if there is no intention to re-export the laptop on departure from Australia, any applicable Customs duty and GST will be payable if passenger concession has been exceeded.

General goods such as gifts, souvenirs, cameras, electronic equipment, leather goods, perfume concentrates, jewellery, watches and sporting equipment worth AUD900.00 is allowed for people aged 18 years and above. For people below 18 years, the concession is limited to AUD 450.00.

Personal goods owned and used for more than 12 months prior to arrival are allowed in tax-free. Proof of the date of purchase and purchase price may be required.

Refer <https://www.homeaffairs.gov.au/Trav/Ente> for further details.

Entry into Australia

Australian Immigration

When you first arrive in Australia you will be required to make your way through Australian Immigration (follow the signs for Arriving Passengers as you leave the plane). An Immigration Officer will ask to see your completed Incoming Passenger Card (given to you on the plane) along with your passport and student visa evidence. The Immigration Officer will check your documents and may ask you a few questions about your plans for your stay in Australia.

Baggage Claim

Once you have passed through the immigration checks you will move to baggage claim (follow the signs) and collect your luggage. Check that nothing is missing or damaged. If something is missing or damaged go to the **Baggage Counter** and advise them of your problem. Staff at the Baggage Counter will help you to find your belongings or lodge a claim for damage.

Detector Dogs

You may see a **Quarantine Detector Dog** at the baggage carousel or while waiting in line to pass through immigration, screening luggage for food, plant material or animal products. If you see a detector dog working close to you, please place your bags on the floor for inspection. Sometimes a dog will sit next to your bag if it sniffs a target odour. Sometimes dogs will detect odours left from food you have had in the bag previously. A quarantine officer may ask about the contents of your bag and check you are not carrying items that present a quarantine risk to Australia.

Australian Customs and Quarantine

Once you have your luggage you will go through Customs. Be careful about what you bring into Australia. Some items you might bring from overseas can carry pests and diseases that Australia doesn't have. You must **declare ALL** food, meat, fruit, plants, seeds, wooden souvenirs, animal or plant materials or their derivatives.

Australia has **strict quarantine laws** and tough on-the-spot fines. Every piece of luggage is now screened or x-rayed by quarantine officers, detector dog teams and x-ray machines. If you fail to declare or dispose of any quarantine items, or make a false declaration, you will get caught. In addition to on-the-spot fines,

you could be prosecuted and fined more than AU\$60,000 and risk 10 years in prison. All international mail is also screened.

Some products may require **treatment** to make them safe. Items that are **restricted** because of the risk of pests and disease will be seized and destroyed by the **Australian Quarantine and Inspection Service (AQIS)**.

For more detailed information about bringing in food, animals, plants, animal or plant materials or their derivatives visit <http://www.homeaffairs.gov.au/> .

Getting from the Airport

Train

Airport Link is a fast and convenient way to reach the city. Trains run approximately every 10 minutes and the journey to the city takes only 13 minutes. The international and domestic rail stations link directly to the City Circle line, which means most city destinations are within a short walk of stations. You shall require an Opal Card to travel via Sydney's train, bus and ferry system. Train Ticket fares and other details are available at <https://www.opal.com.au/> .

Accessing Money

You should read this section carefully, and discuss the issues raised in this section with the bank or financial institution in your home country before you leave. All banks operate differently and you should be aware of all fees, charges, ease of access to your funds, and safety of the way in which you will access those funds.

How Much to Bring

You will need to make sure you have enough funds to support you when you first arrive. It is recommended that you have approximately **AU\$2000 to AU\$5000** available for the first two to three weeks to pay for temporary accommodation and transport. You should bring most of this money as either **Traveller's Cheques** or on an international credit card. Traveller's cheques can be cashed at any bank or currency exchange in Australia.

Please note that it is **not safe to bring large sums of money** with you! Lost credit cards or traveller's cheques can be replaced, but very few travel insurance companies will replace lost or stolen cash. Do not

ask someone you have just met to handle your cash for you or to take your cash to make payments for you. Not even someone who may indicate they are studying at the same education institution.

Currency Exchange

Only Australian currency can be used in Australia. If you have not brought some with you, you will need to do so as soon as possible after arrival. You can do this at the airport. Once you have arrived in Sydney, you can also change money at any bank or at currency exchanges at Major Shopping Centres

Electronic Transfer

You can transfer money into Australia by **electronic telegraph or telegraphic transfer** at any time. This is a fast option and will take approximately **48 hours**, but the bank will charge a fee on every transaction.

ATMs

Automatic Teller Machines are located everywhere (including at the airport) and you can immediately withdraw cash from your overseas bank account at **ATMs displaying the Cirrus Logo**. Check this with your financial institution before leaving home.

Credit Cards

All major international credit cards are accepted in Australia but you must remember that **repayments** to many of these cards can only be made in the country where they were issued. Do not rely on being able to get a credit card once you arrive in Australia because this is very difficult due to credit and identification laws.

Temporary Accommodation

Hotels, Motels & Backpackers

Generally, the price you pay for accommodation will determine its quality. However, it can be expensive to stay in a good quality motel or hotel for a long period. Backpacker accommodation is relatively inexpensive, but you may need to bring your own pillow and sleeping bag if you choose this option.

Staying with Friends or Family

If you know someone in Australia, this is a great way to settle-in to life here. Your friends or family can provide advice, support and encouragement in your first days in Australia. However, if you are under the age of 18 you must obtain approval from your education provider first.

Permanent Accommodation

When you are studying, it is important to have a good home base where you feel safe and relaxed. Transport is another consideration. There are many accommodation options for international students in NSW.

Bringing My Family

Most student visas allow you to bring your family members to Australia as your dependants (check your individual circumstances with the Department of Home Affairs). Family members include your spouse, and you and your spouse's dependent children. Before bringing your spouse or children to Australia, you must prove that you can support them financially. The cost of supporting a family in Australia is very high.

For more information, please refer to Department of Home Affairs website.

<https://immi.homeaffairs.gov.au/visas/getting-a-visa/visa-listing/student-500#About>

Issues to Consider

Rather than bringing your family together with you to Australia, some students may find it useful to arrive first, settle into studies, find appropriate accommodation, adjust to living in Australia and then arrange for their family to join them.

Before deciding to bring your family to Australia it is important to consider the following issues:

- The cost of airfares for your family to and from Australia.
- Possible higher rent for a larger home.
- Limited employment opportunities for your spouse.
- Extra costs for food, clothing and other necessities.
- The effect on you and your studies if your family is not happy in Australia.
- Whether your children will adjust to school in Australia.
- Waiting lists for childcare centres; and
- Whether to come alone to Australia first and arrange things for your family or to all come at the same time.

For more information visit the Department of Home Affairs).

Child Care

Finding suitable childcare in Australia requires patience and planning. Waiting lists for places in most childcare centres are long.

- Centre-based childcare \$70-\$192 per day
- Family day care \$7.50-\$16.80 per hour dependent on location and service
- Nannies \$17-\$25 per hour live in \$17-\$35 per hour live out (+agency fee)
- Au pairs (living in your home) \$200-\$300 per week (+agency fee)

Find out more at: <https://www.careforkids.com.au/>

Schools

In Australia children must attend school from five years of age until the completion of Year 10. Young people that have completed Year 10 must participate in full-time education, training or employment, (at least 25 hours per week) or a combination of these activities until they reach 17 years of age.

If you have school age dependents, you will need to make arrangements for your children to enter school in Australia. Students from countries around the world enrol in New South Wales government, independent and private schools every year. NSW government schools are recognised for their excellent quality education programs.

You can choose from a wide range of schools close to where you will be living. The New South Wales government provide:

- An excellent, world-class standard of education from the largest education provider in Australia.
- The opportunity to study alongside Australian students in a friendly, safe, multicultural environment.
- A wide range of subjects, sporting and creative arts programs, leadership programs.
- Professional, university-trained teachers.
- An environment that encourages students to express themselves, develop independent learning skills and to interact in the classroom and in the community.
- Intensive English Language support for students of non-English speaking background.

Health

Emergencies

For emergencies such as fire, ambulance or police, phone 000. When you dial 000, you will be asked whether you want fire, ambulance, or police and why you want this assistance. You will also be asked for your name and address and telephone number.

Australia police protect people and properties, detect, and prevent crime, and preserve peace for everyone. They are not connected to the military or politics. The police can help you feel safe.

Fire

The fire brigade extinguishes fires, rescues people from fires in cars and buildings, and helps in situations where gas or chemicals become a danger. As soon as a fire starts call 000 no matter how small or large the fire may be.

Ambulance

Ambulances provide immediate medical attention in an emergency and emergency transportation to hospital. To access an ambulance, call 000.

Medical assistance

Emergency medical treatment is available 24 hours a day at the emergency or casualty department of a public hospital, or at some medical centres. Public and private hospitals are listed in the White Pages telephone directory under 'Hospitals' and you can also find them by searching on the internet. If you need to go to hospital, remember to bring your health insurance card and any medicines you are currently taking. For anything other than an emergency, seek medical help from a general practitioner (GP) or local medical centre.

Overseas Student Health Cover

Australia has a special system of health cover for international students called Overseas Student Health Cover (OSHC). You will need to buy OSHC before you come to Australia to cover you from when you arrive. The Department of Home Affairs (DHA) requires you to maintain OSHC for the duration of your time on a student visa in Australia.

You can choose to take out OSHC with a provider recommended by us, or with the Australian OSHC provider of your choice. There are five providers of OSHC in Australia. Visit these websites to find detailed information on what they cover and to decide which provider is right for you.

- Australian Health Management OSHC www.ahmoshc.com
- BUPA Australia www.overseasstudenthealth.com
- Medibank Private www.medibank.com.au/Client/StaticPages/OSHCHome.aspx

- OSHC Worldcare www.oshcworldcare.com.au
- NIB OSHC www.nib.com.au/home/newtonib/overseasstudents

Your OSHC will **help** you pay for any medical or hospital care you may need while you're studying in Australia, and it will **contribute** towards the cost of most prescription medicines, and an ambulance in an emergency.

For more information on what your OSHC insurance covers, as well as what to do if you need treatment, go to <https://www.studyinaustralia.gov.au/english/live-in-australia/insurance> . You may also visit the Department of Health <https://www.health.gov.au/> to see the "Deed for the provision of Overseas Student Health Cover."

OSHC does not cover dental, optical or physiotherapy. If you want to be covered for these treatments you will need to buy additional private health insurance, such as:

- Extra OSHC provided by some OSHC providers;
- International travel insurance; or

General treatment cover with any Australian private health insurer. You can find a list of these providers and search for the one that suits you best at www.privatehealth.gov.au or www.iselect.com.au

Introduction to Australian Vocational Education and Training

What is VET?

Australia's Vocational Education and Training (VET) system is based on nationally endorsed industry training packages which identify specific skills and knowledge applied in the workplace. Students' undertaking a VET qualification must demonstrate the skills and knowledge identified in a training package and be assessed as 'competent' in the selected units of competency to be eligible for the award of the qualification.

What is Competency Based Training?

Competency based training is training that develops the required knowledge and skill to the standard of performance required in the workplace. It embodies the ability to transfer and apply skills and knowledge to new situations and environments. Competency is achieved by being assessed against requirements of the unit of competency. Your assessor will make a judgment of your competency after reviewing all the different types of assessment evidence you provide.

Training Packages

Training Packages represent the national industry benchmarks for Vocational Education and Training. Training packages set out the competency to be achieved but do not state how the training should be delivered. This means that students may complete their qualification in different ways between various training organizations. The training package also specify the relevant qualification rules including the compulsory core units and be included in a course and the elective units which are available.

Delivery of Training

Students will receive all the training for which they have enrolled. To be awarded a qualification, all assignments and assessments must be completed to a satisfactory level and submitted in accordance with instructions and within timeframes prescribed. Students are advised of the specific requirements to receive a qualification in their area of study as part of enrolment and when training delivery commences.

Rockford College takes responsibility for the quality of the training and assessment being provided to students, and for the issuance of AQF certificates.

Results and certificates

On completing the training program with Rockford College, you will receive a nationally recognised qualification. The qualification is recognised within the [Australian Qualifications Framework](#). Qualifications are formatted to a uniform standard to ensure they are valid documents and will be instantly recognised throughout Australia. A qualification issued by Rockford College will be accompanied by a transcript which will detail the units of competence issued within the qualification.

Where a student does not complete the entire course requirements, they may be entitled to receive a Statement of Attainment. A Statement of Attainment is issued by a Registered Training Organisation when an individual has completed one or more eligible units. A Statement of Attainment can be used as a basis for recognition of your current competence with other Registered Training Organisations within Australia.

A statement of results will be available to you upon request throughout your training. This will provide you information of your progress.

Course Entry Requirements of Rockford College

All international students applying to study a course with Rockford College:

- Must be 18 years of age or older.

IELTS is the world's most recognised English language testing system. Students applying for a student visa will need to provide evidence that they meet the English language requirements set by the Australian Government and education provider. Rockford College one of the course entry requirements is a minimum IELTS Overall Band Score of 5.5. A score of 5.5 indicates that the person will have a partial command of the language, coping with overall meaning in most situations, though may make mistakes. The person should be able to handle basic communication in their own field.

Rockford College requires you to submit evidence of your IELTS results (Overall Band Score of 5.5 or higher) or other equivalent evidence of English test with your enrolment form.

Applications for enrolment that are not accompanied with this evidence will not be accepted. To locate an IELTS testing centre in your area, please visit the IELTS website for further information:

<https://www.ielts.org/book-a-test/find-a-test-location>

- If you submit any other English proficiency test, we will use the table to assess your English competency given in <https://immi.homeaffairs.gov.au/visas/getting-a-visa/visa-listing/student-500#Eligibility>

Verification of IELTS and Education Level

Rockford College reserves the right to validate the IELTS proficiency assessment and the submitted evidence of School Certificate equivalence. Verification will be undertaken by:

- **IELTS proficiency.** Rockford may utilise the <https://www.ielts.org/en-us/ielts-for-organisations/processing-and-verifying-ielts-results> to assess the validity of all evidence submitted of IELTS proficiency.
- School Certificate equivalence. Where evidence submitted by a student does not clearly demonstrate the equivalence to the Australian School Certificate, Rockford College may obtain a confirmation from the <https://www.tafesa.edu.au/international/entry-requirements/year-12-overseas-equivalent> at its own cost.

Unsuccessful Student Visa and Tuition Protection Services

If your student visa application is NOT approved, you must contact the campus and advise us and apply in writing for a refund of student fees in accordance with our Fee Refund Policy.

The Tuition Protection Service (TPS) is an initiative of the Australian Government to assist international students whose education providers are unable to fully deliver their course of study. The TPS ensures that international students are able to either:

- complete their studies in another course or with another education provider or
- receive a refund of their unspent tuition fees.

Australia has a well-established international education sector with education providers delivering a high-quality education to international students. For many years now, Australia has been a world leader in protecting the tuition fees of international students studying in Australia on a student visa. Recent changes to the Education Services for Overseas Students (ESOS) Act have further strengthened protections for international students through the introduction of the Tuition Protection Service (TPS). Please visit <https://tps.gov.au/Home>.

In the unlikely event your education provider is unable to deliver a course you have paid for and does not meet their obligations to either offer you an alternative course that you accept or pay you a refund of your unspent prepaid tuition fees (this is called a provider's 'default obligations'), the TPS will assist you in finding an alternative course or to get a refund if a suitable alternative is not found.

Course Induction/Orientation

At the start of your course will be provided with an induction. The induction will provide you with specific details about your course requirements, important dates and will be an opportunity to meet your trainer and the other students in your course.

As an international student you will also be provided with information on:

- details of internal and external support services available to assist in the transition into life and study in Australia. Such services include welfare services, accommodation services, academic and career advice, IT support, and student learning assistance, English language support and social inclusion activities.
- legal, emergency and health services
- safety and awareness relevant to life in Australia
- information on how to see assistance for and report an incident that impacts significantly on your well-being, including critical incidents
- facilities and resources
- organisational policies and procedures including course progress, attendance monitoring, deferral, suspension and cancellation, course transfer and complaints and appeals.
- any student visa conditions relating to course progress and attendance.

The induction will also provide you with important information about health and safety requirements including emergency evacuation procedures, critical incidents and incident reporting (see section in this handbook on health and safety), as well as a range of other important matters relating to your rights and responsibilities as a student.

The induction also provides an opportunity for you to ask any questions you might have about studying with us. During this induction, we also make sure that we have all the required forms and paperwork filled in.

At your induction you will receive your first set of learning materials so that you can start on your learning journey.

General housekeeping arrangements are also discussed as stated in the section below.

Course expectations and requirements

The training and assessment offered by Rockford College focuses on providing you with knowledge and skills required to the standard of performance required in the workplace. This is known as competency-based training and assessment. Each of the components of your course is a “unit of competency”. You may either be studying one or a few units of competency or a set of units that make up a total qualification. Each unit of competency is linked to specific skills and knowledge required in the workplace.

Our course outlines include the details of how we deliver the training to you as well as the assessment methods that will be used to assess whether you have reached the required standard of performance. Generally, our courses may involve face-to-face classes, and preparation of assessments in home.

Assessment methods vary from course to course but usually include written questions, projects, written assignments, and practical observations. There is no percentage (%) or grade-based marking system in VET sector. Students are assessed as either “Competent” (i.e passed) or “Not Yet Competent” (i.e. failed) for the units of competency.

Attendance and Homework/Home-study requirements

If you are enrolled in a course, it is an expectation that you attend every class so as not to fall behind. Rockford College monitors and records the course attendance of students on a regular basis. We do this by monitoring the class attendance by your Trainer via an attendance record. Satisfactory course attendance is defined as a student attending at least 80% of scheduled course contact hours for each study period. A student who is identified as having unsatisfactory attendance without acceptable explanation, will be managed via a range of intervention strategies (e.g. warning letters, close monitoring, make-up classes). If a student fails to attend more than 20% of class contact hours even after intervention in two consecutive study periods, s/he will be dealt with according to the National Code standard 10.

Please notify your trainer at least 30 minutes prior to class if you are unable to attend for a genuine reason.

There may also be an expectation that you complete a certain amount of home study each week in order to finish learning and assessment tasks required for completion of your course. Your trainer may guide you on what to do during this time and how much is expected.

Training arrangements

The courses are delivered face to face in campus and online by our industry experienced trainers.

The training program is undertaken using a planned schedule. Training sessions will include the demonstration, explanation and practice. The training sessions will be held in an environment simulating real-life workplace with policy documents, software, equipment, etc.

Students will typically attend formal sessions in two and a half working days per week depending on the course. Each day has scheduled training over 4 to 8 hours, depending on the course of study (for course specific information, visit Course Outline in our website). Students may also need to work in commercial environment as the practical component of a course e.g. in kitchen for hospitality courses, if any.

Assessment arrangements

Every unit of competency has several assessment tasks. Sometimes few units are combined, and a singled assessment is developed for them, which is called as “clustering”. At the beginning of each unit or cluster, your assessor will go through the arrangements for assessment tasks with you and you will be given all the details about the assessment requirements.

Before handing over each assessment task, you will:

- Be provided with detailed assessment instructions for each task/requirement which includes the criteria that you'll be assessed against.
- Be informed of relevant due dates or timing of assessment tasks to be conducted

Your assessor will go through all of the arrangements with you and you can ask them any questions you have.

Submitting your assessments

You must submit written assessment tasks with a completed and signed Assessment Task Cover Sheet. The cover sheet asks you to make a declaration that the work is your own. Written tasks will not be accepted without a signed cover sheet.

Assessments must be submitted directly to the trainer/assessor on the dates agreed earlier.

You must keep a copy of all tasks that you submit as we are not able to return copies because we must keep them as evidence in your file.

Written work will be marked within the time advised to you by your trainer or teacher, which cannot be more than 10 working days. Your assessor will provide you with written feedback and confirm the outcome of the assessment task, if the outcome is negative.

Assessment outcomes

Each assessment task will be given an outcome of either Satisfactory (S) or Not Satisfactory (NS). You must complete all tasks for a unit satisfactorily to achieve an overall outcome of Competent (C) for a unit. If one or more of your tasks are assessed as Not Satisfactory, you will be given an overall outcome for the whole unit Not Yet Competent (NYC). You can consult your trainer about the quality of your answers before FORMAL submission of the assessment tasks. However, you can have TWO attempts to submit a task FORMALLY and achieve a Satisfactory outcome before the delivery of the unit ends. Your third attempt will be treated as Re-assessment even during delivery of the unit, which will attract re-assessment fee.

If, after the delivery of a unit is over, you are assessed as Not Yet Competent for a unit, you will have ONE opportunity for resubmission subject to **re-assessment fee**. You will be given a timeframe for your resubmission and advised what you must include in your re-submission. All reassessment activities for the

previous term should be complete within first five weeks of next term. If a student even fails in re-assessment, he/she needs to complete additional training and assessment to support in achieving a Competent outcome. It may mean that the student be **re-enrolled** into the unit subject to consideration by the relevant trainer and director of studies.

Students should submit all assessment tasks in due time as assessment schedule. All assessment tasks of a unit must be submitted before the delivery of the unit ends. First submission of a task after that end of unit delivery, will be treated as Late Submission. Students are allowed to submit pending (i.e. never submitted) assessment task within one week of starting of the term break. Late Submission will attract fees.

Visit Schedule of Charges for all kinds of fees. It is available on our website.

Reasonable adjustment in assessment

Some students may need modifications to assessments due to disability, illness or special considerations – this is called reasonable adjustment.

Reasonable adjustment can involve:

- Making training/teaching and assessment resources and methods more accessible e.g. providing learner workbooks in an audio format or on different coloured paper.
- Adapting physical facilities, environment and/or equipment e.g. setting up hearing loops.
- Making changes to the assessment arrangements e.g. more time allowed for assessments.
- Making changes to the way evidence for assessment is gathered e.g. written questions asked orally

Please speak to your assessor/teacher if you think that you may need an adjustment made. Note these adjustments are made at the discretion of your assessor based on your identified needs. Director of Studies may also be involved especially where specific support services are not readily available.

Appealing assessment decisions

If you do not agree with any assessment decision, you can lodge an assessment appeal. Please refer to the Complaints and Appeals section in this handbook for information about how to lodge an appeal.

Student plagiarism, cheating and collusion

Rockford College has a zero-tolerance policy for plagiarism, cheating and collusion. Students are expected to act with integrity at all times and only submit work that is their own or that has been appropriately referenced and includes acknowledgements of all resource materials used in the preparing the work. Plagiarism includes the following:

- Copying from another student
- Handing in another person's work with or without the author's knowledge
- Copying an entire source and presenting it as your own
- Copying sections from a source without appropriate acknowledgement
- Paraphrasing material from a source without appropriate acknowledgement
- Constant non submission of assessments by their due dates

When you submit your assessments, you will be required to sign a declaration that the work provided is your own and that you have not cheated or plagiarised the work or colluded with any other student/s.

If you are found to have plagiarised, cheated or colluded, you will be given an opportunity to respond to the allegations. If you are found to have plagiarised, cheated or colluded, we will be required to take disciplinary action which is likely to require you to complete the assessment again. If student continues to plagiarise even after cautionary notices, Rockford College reserves the right to cancel the enrolment of the student and report the student to DHA.

Maintaining your Enrolment and Course Progress

You must meet course progress requirements in order to satisfy the conditions of your visa. These course progress requirements will be explained to you during the orientation program as well.

'Satisfactory course progress' is defined as a student successfully completing all required assessments and units in the study period (e.g. one term) they are enrolled into. If a student fails in 50% or more of the units he/she studied in two consecutive terms, it will be treated as 'Unsatisfactory Course Progress' and Rockford College will report them to Department of Education.

Rockford College will assist you to meet the course progress requirements by monitoring your progress and providing you with the relevant support at an early stage. Rockford College reviews submission of assessment tasks after delivery of each unit is finished. Where we consider you are at risk not meeting 'satisfactory course progress' requirements, we will issue you with a first warning letter inviting you attend a meeting to discuss why you are not meeting course progress requirements and support that you required. We can provide you with a range of support- from extra time to complete tasks, additional classes, advice to develop study habits to adjustment of study program (e.g. moving from one shift to another)- for meeting course progress requirements. Agreed plan will be documented in an Intervention Plan that both you and the Director of Studies will sign. The intervention plan will be updated in an agreed frequency until the student passes the unit/s.

Following the provision of this support, if your progress is still unsatisfactory, you will be marked as NYC for the unit/s. If units are clustered, failing in the relevant assessment will be treated as NYC in all units inside that cluster.

Where you continue not to meet course progress requirements and reach the point of 'Unsatisfactory Course Progress', you will be issued Intention to Report (ITR) letter. It means that we will intend to report you to Department of Education (DoE) for not meeting course progress requirements through a system called PRISMS. The relevant departments will make the final decision on whether your visa will be cancelled because of your unsatisfactory course progress.

When we will send you Intention to Report letter, you may appeal the decision to report you to PRISMS within 20 working days from the date of that letter. However, an appeal will only be considered if Rockford College has not recorded or calculated the student's marks correctly, has not provided appropriate support as set

out in this policy, has not implemented other policies such as assessment and feedback which could impact on the student's results or there are compassionate or compelling reasons which have contributed to the unsatisfactory progress. Circumstances that are considered as compassionate or compelling circumstances include (but are not limited to):

- Serious illness or injury, where a medical certificate states that the student was unable to attend classes.
- Bereavement of close family members such as parents or grandparents.
- Major political upheaval or natural disaster in the home country requiring emergency travel and this has impacted on the student's studies.
- A traumatic experience which has impacted on the student and which could include involvement in or witnessing of a serious accident; and witnessing or being the victim of a serious crime. These cases should be supported by police or psychologists' reports); or
- Where Rockford College is unable to offer a pre-requisite unit.
- Where the student is unable to begin studying on the course commencement date due to delay in receiving a student visa.

Where your study load is reduced due to difficulties with meeting course progress requirements, this may mean that you will need to do additional subjects in future sessions to complete your course in the time specified in your student visa.

Director of Studies or Academic Manager or Chief Executive Officer (CEO) has the authority to decide in these matters.

Attendance

As well as meeting course progress requirements, you must also meet attendance requirements as part of your visa conditions. It is expected that you will attend all classes; however, we understand that in some cases you may not be able to get to a class because of your personal circumstances such as illness or family matters. To maintain satisfactory attendance, you must attend at least 80% of your classes in each study period.

If you miss more than 20% of the scheduled contact hours without informing the college in one fortnight, we will send you a formal letter asking you to contact the DoS and to attend a formal counselling session. This session is to discuss the possible reasons for non-attendance and to work out what support is required to assist you to improve your attendance pattern. We expect that you will be able to improve your attendance after our support.

If you fail to maintain minimum of 80% of attendance for one full term, an intervention strategy will be activated by DoS/CEO. If do not respond to warning notices and email communication regarding attendance or fails to attend 80% of the classes in two consecutive terms, you will be dealt with according to the National Code standard 10.

You may not be penalized in the case of compassionate or compelling circumstance i.e. those beyond your control and which have an impact on your course progress or wellbeing (see course progress requirements for details of compassionate and compelling circumstances).

Course Transfer

All decisions made by Rockford College in regard to student transfer requests will be made in accordance with this policy and procedure, will be fair and take into account the student's individual circumstances and any other relevant factors.

Transferring from another registered provider

- Rockford College will not knowingly enrol a student wishing to transfer from another registered provider's course prior to the overseas student completing six months of his or her principal course unless one or more of the following conditions apply:
 - the releasing registered provider or the course in which the student is enrolled has ceased to be registered.
 - the releasing registered provider has had a sanction imposed on its registration by the ESOS agency that prevents the student from continuing his or her principal course at that registered provider.
 - the releasing registered provider has agreed to the overseas student's release and recorded the date of effect and reason for release in PRISMS.
 - any government sponsor of the student considers the change to be in the student's best interest and has provided written support for that change.

Transferring to another registered provider

- For Rockford College students seeking to transfer to another registered provider's course of study prior to completing six months of their principal course with us, the transfer request will be assessed considering any of the following circumstances:
 - the student will be reported because they are unable to achieve satisfactory course progress at the level they are studying, even after engaging with the intervention strategy to assist the overseas student in accordance with Standard 8 (Overseas student visa requirements).
 - there is evidence of compassionate or compelling circumstances.
 - Rockford College fails to deliver the course as outlined in the student agreement.
 - there is evidence that the student's reasonable expectations about their current course are not being met.
 - there is evidence that the student was misled by Rockford College or an education or migration agent regarding Rockford College or its course and the course is therefore unsuitable to their needs and/or study objectives.
 - an appeal (internal or external) on another matter results in a decision or recommendation to release the student.
- A transfer to another course will not be granted where:
 - The transfer may jeopardize the student's progression through a package of courses.
 - The student has recently started studying the course and the full range of support services are yet to be provided or offered to the student. In this case, the student will be requested to wait a further 4 weeks before applying for a transfer to another registered provider during which time the full range of support services will be provided to the student.

- The student is trying to avoid being reported to PRISMS for failure to meet the provider's attendance or academic progress requirements.
- There are no legitimate compassionate or compelling circumstances.
- In order for a request for transfer to be considered and a letter of release provided, students must provide a valid offer of enrolment from another registered provider.
- The outcome of the student's application for course transfer will be provided in writing within 10 working days of receipt of application.
- Where a student's application is refused, the reasons for this will be communicated plus the right to access the complaints and appeals process as outlined below.
- There is no cost in releasing students. However, where a student transfers to another registered provider, any refund of course fees, where applicable, will be paid in accordance with Rockford College Fees and Refunds Policy and Procedures.

Transferring to another course offered by Rockford College

- Students may transfer to another course offered by Rockford College in the following circumstances:
 - Where it is considered that the course that the student wishes to transfer to;
 - better meets the study capabilities of the student; and/or
 - better meets the long-term goals of the student, whether these relate to future work, education or personal aspirations; and/or

 - The student is trying to avoid being reported to PRISMS for failure to meet the provider's attendance or academic progress requirements.
- In order for a request for transfer to be considered, students must complete an Internal Course Transfer Application Form.

Visa advice

- All students who are either considering a course transfer, or have had their transfer request approved, will be advised that they must contact Department of Home Affairs (DHA) to seek advice on whether a new visa is required. To find out more about visa requirements, students will be advised to contact DHA on 131881 or visit the following website: <https://www.homeaffairs.gov.au/trav/stud>

Complaints and Appeals

- Where the decision is made to refuse a course transfer or Rockford College does not respond to the request in the timeframe set out in this Policy, the student may appeal against the decision by accessing the Complaints and Appeals process within 20 days. If the appeal finds in favour of a student wishing to transfer, a letter of release will be granted.
- The refusal status will not be finalised in PRISM until the complaints and appeals process is finalised within the 20-working day period or the student withdraws from the course.

Academic Manager or Chief Executive Officer (CEO) has the authority to approve such transfer requests.

Records

All records relating to course transfers will be kept for two years after the student ceases to be an enrolled student. This includes requests for release, the assessment of the request and the decision.

Deferral, suspension, and cancellation

Deferral and suspension of studies

- Requests from students for deferral and suspension of studies will only be granted in compassionate or compelling circumstances which are generally those beyond the control of the student and which have an impact upon the student's course progress or wellbeing. These could include, but are not limited to:
 - serious illness or injury, where a medical certificate states that the student was unable to attend classes
 - bereavement of close family members such as parents or grandparents (Where possible a death certificate should be provided)
 - major political upheaval or natural disaster in the home country requiring emergency travel and this has impacted on the student's studies
 - a traumatic experience that has impacted on the student which could include involvement in or witnessing of a serious accident or witnessing or being the victim of a serious crime. Such cases supported by police or psychologists' reports
 - where Rockford College is unable to offer a pre-requisite unit
 - inability to begin studying on the course commencement date due to delay in receiving a student visa

These circumstances are an example of what may be considered compassionate or compelling circumstances; however, each case will be assessed on its individual merits.

- When determining whether compassionate or compelling circumstances exist, Rockford College considers documentary evidence provided to support the claim, and stores copies of these documents in the student's file.
- A retrospective deferment or suspension may be justified if the student was unable to contact Rockford College because of a circumstance such as being involved in a car accident.
- Where a student-initiated deferral or suspension of enrolment is granted, we will suspend an enrolment for an agreed period of time - to a maximum of 12 months. If the suspension/deferral

period has expired and the student does not return/commence on agreed date, the student's enrolment will be cancelled.

Provider initiated suspension or cancellation

- Rockford College may suspend or cancel a student's enrolment including, but not limited to, based on:
 - misbehaviour by the student (including plagiarism, collusion and cheating)
 - the student's failure to pay an amount he or she was required to pay the registered provider to undertake or continue the course as stated in the written agreement
 - a breach of course progress or attendance requirements by the overseas student, which will occur in accordance with Standard 8 (Overseas student visa requirements) and as specified in Rockford's *Course Progress Policy and Procedures*.
- Standards of behavior required are outlined in the International Student Handbook.
- Where Rockford College suspends or cancels a student's enrolment, before imposing a suspension or cancellation Rockford College will inform the student in writing of that intention and the reasons for doing so and advise the overseas student of their right to appeal through the provider's internal complaints and appeals process, in accordance with Standard 10 (Complaints and appeals), within 20 working days.
- Under no circumstances will the suspension or cancellation of the overseas student's enrolment under Standard 9.3 cannot take effect until the internal appeals process is completed, unless the overseas student's health or wellbeing, or the wellbeing of others, is likely to be at risk.

Student initiated cancellation of studies

- Students may initiate cancellation of their studies at any time during their course.
- Students who wish to withdraw within six months of their course to transfer to another provider will be processed as per Rockford College Course Transfer Policy and Procedure.

Complaints and appeals

- Where a student accesses the Complaints and Appeals process, Rockford College will not notify to PRISMS until the internal appeals process is complete unless the student's health or wellbeing, or the wellbeing of others, is likely to be at risk. Where the student chooses to access an external appeals process, Education Department will still be notified via PRISMS.

Records

- All records relating to deferrals, suspensions and cancellations will be kept on the student's file. This will include all decisions made.

Change in Visa Status

When there is any deferral, suspension or cancellation action taken under this standard, Rockford College will inform the student of the need to seek advice from DHA on the potential impact on their student visa, as well as the report the change to the overseas student's enrolment under section 19 of the ESOS Act i.e. notification via PRISMS.

Students are referred to the DHA web site at <https://www.homeaffairs.gov.au/> or Helpline (131 881) for information and their local DHA office for advice on how the potential change to enrolment status may impact upon his or her visa. It can be done verbally as well as through letter.

Rockford College reserves that right of not doing 'variation of CoE' at the time of approval of suspension. The extension of CoE may be done when student approaches end of course or when he requires it of visa purpose.

Regardless of whether the suspension of enrolment is the result of a student request for suspension or a suspension imposed by Rockford College, the period of suspension of enrolment (as entered in PRISMS) will not be included in attendance monitoring calculations.

Where a suspension of enrolment is granted, Rockford College will suspend an enrolment for an agreed period of time - to a maximum of 12 months. If the suspension is required for longer than 12 months the student shall have to re-apply into the course once the initial suspension period has expired.

If a student's enrolment is suspended for a period of 28 days or longer, the student must return home (unless special circumstances exist). Students will be referred to DHA via the DHA helpline on 131 881 regarding whether they may remain in Australia during a period of suspension of enrolment.

Rockford College will always use its professional judgement to assess each student's case on its individual merits when determining whether compassionate or compelling circumstances exist.

In cases, where a student's enrolment is cancelled, the student must leave Australia or obtain enrolment in an alternative course or apply for a different visa within 28 days of cessation. If the student leaves Australia, the student's visa may be cancelled. A student who has left Australia and wishes to return to his or her studies must apply for a new student visa. For more information, please contact Department of Home Affairs.

Education Services for Overseas Students

The Australian Government wants overseas students in Australia to have a safe, enjoyable and rewarding place to study. Australia's laws promote quality education and consumer protection for overseas students. These laws are known as the ESOS Framework and they include the Education Services for Overseas (ESOS) Act 2000 and the National Code 2018. For more information about your rights and responsibilities under the ESOS Framework, visit the following website:

<https://www.studyinaustralia.gov.au/global/australian-education/education-system/esos-act>

If you are unable to access this information, contact us via email or phone and we will provide the information to you.

National VET Regulator Act 2011

As a student in Australia's vocational education and training (VET) sector, you should expect high-quality training in your area of interest, leading to a qualification that improves your prospects of gaining the job you want or provides a pathway to further study.

As a Registered Training Organisation registered with the Australian Skills Quality Authority, we are required to comply with the National VET Regulator Act 2011. This involves meeting a series of Standards that ensure that the training and assessment and support services are provided to you in accordance with nationally mandated standards.

Standards of Registered Training Organisation 2015

The Council of Australian Governments' (COAG) Industry and Skills Council is responsible for endorsing vocational education and training (VET) standards. The Council consists of the Australian, state and territory ministers with responsibility for industry and/or skills within their jurisdiction. All registered training organisations (RTOs) in Australia are responsible for ensuring they fully comply with the Standards at all times as a condition of their registration. The Standards are enabled by the National Vocational Education and Training Regulator Act 2011 (NVR Act), which aims to:

- provide national consistency in regulation of the VET sector, using a standards-based quality framework and a risk-based approach
- promote quality, flexibility and innovation in VET
- promote Australia's reputation for VET locally and overseas
- promote a VET system that meets Australia's social and economic needs
- protect students undertaking or proposing to undertake VET in Australia, and
- ensure access to accurate information regarding the quality of VET.

National Code 2018

The National Code of Practice for Providers of Education and Training to Overseas Students 2018 (National Code 2018) supports the National Strategy for International Education 2025 to advance Australia as a global leader in education, training and research.

The National Code is a legislative instrument made under the Education Services for Overseas Students Act 2000 and sets nationally consistent standards to support providers to deliver quality education and training to overseas students. The National Code 2018 commenced on 1 January 2018. Education providers must comply with the National Code to maintain their registration to provide education services to overseas students.

The National Code 2018 is a set of nationally consistent standard that governs the protection of overseas students and delivery of courses to those students by providers registered on CRICOS - the Commonwealth Register of Institutions and Courses for Overseas Students. Only CRICOS courses can be offered to international students studying in Australia on a student visa. The National Code is established under the *Education Services for Overseas Students (ESOS) Act 2000*. To become CRICOS-registered a provider must demonstrate that it complies with the requirements of the National Code.

The objectives of the National Code are:

- support the ESOS framework, including supporting the effective administration of the framework by the Australian Government and state and territory governments

- establish and safeguard Australia's international reputation as a provider of high quality education and training by:
 - ensuring that education and training for overseas students meets nationally consistent standards, and
 - ensuring the integrity of registered providers
- protect the interests of overseas students by:
 - ensuring that appropriate consumer protection mechanisms exist
 - ensuring that student welfare and support services for overseas students meet nationally consistent standards, and
 - providing nationally consistent standards for dealing with student complaints and appeals
- support registered providers in monitoring student compliance with student visa conditions and in reporting any student breaches to the Australian Government.

The ESOS Framework

Rockford College is committed to providing quality education and protecting your rights.

The Australian Government requires overseas students in Australia to have a safe, enjoyable and rewarding place to study. Australia's laws promote quality education and consumer protection for overseas students. These laws are known as the ESOS framework and they include the *Education Services for Overseas (ESOS) Act 2000* and the National Code 2018.

CRICOS

The Commonwealth Register of Institutions and Courses for Overseas Students (CRICOS) is a database of Australian education institutions. Any education institution that recruits, enrolls or teaches overseas students, must be registered on CRICOS.

Education institutions must also register each course they offer to overseas students.

Each institution and course registered on CRICOS has an identifying CRICOS number. The institution number must be shown on all promotional material offered to overseas students. If there is no number, then the institution may not be registered to teach overseas students.

To determine if an institution or course is registered on CRICOS, please check the publicly available website at: <http://cricos.education.gov.au>

PRISMS

The Provider Registration and International Students Management System (PRISMS) is a secure computer system that is the information source for CRICOS.

Education institutions and their courses are listed on PRISMS, as is each student studying in Australia on a student visa. That is because this system interfaces with the Department of Home Affairs (DHA) data.

Through PRISMS education institutions notify DHA and Department of Education (DoE) of each student's enrolment in a course. This should occur before the student applies for a student visa to study in Australia. The enrolment information generates an electronic Confirmation of Enrolment (eCoE) as evidence of enrolment in a registered, full-time course. This eCoE is a key requirement for DHA to issue a student visa.

Education providers also use PRISMS to notify DHA and DoE of students who may have breached the terms of their student visa - for example when the student has not been progressing in studies.

PRISMS has reduced visa fraud and ensured education institutions keep track of the students in their care.

Protection for Overseas Students

Overseas students on a student visa, must study with an education provider and in a course that can be found on the Commonwealth register of Institutions and Courses for Overseas Students (CRICOS) at <http://cricos.education.gov.au/> CRICOS registration guarantees that the course and the education provider at which study is undertaken meets the high standards necessary for overseas students.

The ESOS framework protects student rights, including:

- The right to receive, before enrolling, current and accurate information about the courses, fees, duration of study and other information from a provider and the provider's agent
- The requirement to sign a written agreement with the provider before or as fees are paid, setting out the services to be provided, fees payable and information about refunds of course money. A copy of the written agreement and proof of payments will be kept by the student and the RTO
- The right to get the education paid for. The ESOS framework includes consumer protection that will allow students to be placed in similar course if the provider is unable to teach the course.
- The right to know:
 - How to use the provider's student support services.
 - Who the contact officer is for overseas students.
 - How to apply for course credit.
 - How to apply for enrolment deferment, enrolment suspension or cancellation.
 - The provider's requirements for satisfactory progress in the courses of study.
 - How attendance will be monitored.
 - How to use the provider's complaints and appeals process.
- The student responsibilities include:
 - Satisfy the student visa condition.
 - Maintain Overseas Student Health Cover (OSHC) for the period of the stay.
 - Meet the terms of the written agreement with the provider.
 - Inform the provider of any change of address.
 - Maintain satisfactory course progress.
 - Follow the provider's attendance policy.

Students are to be familiar with the location of all EXITS and fire extinguishers. It is the user's responsibility to understand fire drill procedures displayed around the premises. Students are to attend and participate in annual fire safety sessions on fire safety procedures and the use of fire safety devices.

If you have experienced back problems in the past do not attempt to lift heavy objects at all. Ask someone else to do it for you.

Critical incident

Critical incident means a traumatic event or the threat of such (within or outside Australia) which causes extreme stress, fear or injury to the student and affect the student's ability to undertake or complete a course. Critical incidents that may cause physical or psychological harm could include, but are not limited to, events such as:

- Victim of severe verbal or psychological aggression
- Death, serious injury or any threat of these to the student
- Death or illness of close family member
- Natural disaster in home country; and

Harassment, victimisation or bullying

Rockford College is committed to providing all people with an environment free from all forms of harassment, victimisation and bullying. Rockford College will not tolerate any behaviour that harms, intimidates, threatens, victimises, offends, degrades or humiliates another person.

Anti-discrimination law defines harassment as any form of behaviour that you do not want, that offends, humiliates or intimidates you and that creates a hostile environment. Examples of harassment are making fun of someone, spreading rumours, offensive jokes, ignoring someone, etc.

Victimisation is where a person is treated unfairly because they have made a discrimination complaint.

Bullying is verbal, physical, social or psychological abuse by a staff member or student. Bullying falls under health and safety legislation.

If you at any time feel that you are being harassed, victimised or bullied by a staff member or student, you should follow these steps.

If you feel that you are being harassed, victimised or bullied, ideally you should tell the person that you don't like the behaviour and ask them to stop. However, if you are not comfortable doing this, you should lodge a complaint as per Rockford College Complaints and Appeals procedure and detailed in this Handbook.

All students are supported in a manner that enables them to achieve their full potential and success in their training outcomes. All students are provided with opportunities to develop and successfully gain skills, knowledge and experience through education and training.

Student Identifiers Act 2014

Under this Act, we are required to ensure that all students have a USI. We are unable to issue a qualification of a statement of attainment for any student if we don't have a USI on file.

If you're studying nationally recognised training in Australia from 1 January 2015, you will be required to have a Unique Student Identifier (USI). Your USI links to an online account that contains all your training records and results (transcript) that you have completed from 1 January 2015 onwards. Your results from 2015 will be available in your USI account in 2016.

For students and training organizations, the main benefits of the USI are:

- Students will be able to get a complete record of their Australian-wide VET achievements from a single, secure and accurate online source.
- There will be immediate access to VET records. This means they can be quickly given to employers, other training organizations etc as proof of VET achievements.
- It will be easier for training organizations to assess students' pre-requisites, credit transfers and Recognition of Prior Learning (RPL).

For more information about the USI please refer to <http://www.usi.gov.au/About/Pages/default.aspx>

There are no refunds for cancellation, withdrawal, or a decision to change providers after the commencement of the course. 5. In the unlikely event that Rockford College is unable to deliver your course in full, you will be offered a refund of all the unspent course money you have paid to date. The refund will be paid to you within 28 days of the day on which the course ceased being provided. If Rockford College is unable to provide a refund or place you in an alternative course our Tuition Protection Service (TPS) will place you in a suitable alternative course at no extra cost to you. Finally, if TPS cannot place you in a suitable alternative course or if there are no suitable alternative courses or offers, you may apply for a refund of the amount of any unspent pre-paid tuition fees you have paid to Rockford College. These are any tuition fees you have already paid that are directly related to the course which you haven't yet received. Education Services for Overseas Students (Calculation of Refund) Specification 2014 (https://www.legislation.gov.au/Details/F2014L00907) will be used to calculate the refund amount precisely. In the case of provider default there is no requirement for a student to lodge a refund application form. 7. Tuition fees are not transferable to another student or another institution. 	

8. Commencement of the course is defined as the course start date in the first enrolment application submitted by the student or agent and not subsequent changes to the starting date. Refunds must be applied for within 12 months of the course start date.
9. Where a visa has not been received in time to start a course on the agreed date, the student must contact Rockford College in writing, and they will be offered another starting date. Creation of new CoE/s will incur a cost of \$250 per enrolment.
10. All refunds will be in Australian Dollars (AUD) or equivalent foreign exchange value at the time of the refund.
11. The refunds referred to are net amounts only received by the College and do not include any service charge or commissions levied by your agent or intermediaries acting on your authority.
12. Failure to attend and start classes without prior notice by the students on course commencement date and location determined by Rockford College will be treated as student default. Failure to pay tuition fee instalments as set-in payment schedule in offer letter; serious misconduct; and breaching of any student visa condition will also constitute student default. Rockford College reserves the right of not offering further training and assessment if student defaults and refund the unspent portion of tuition fee. However, a student does not default under this clause, unless Rockford College accords the student natural justice before refusing to provide, or continue providing, the course to the student at the location.

What is an appeal?

An appeal is an application by a student for reconsideration of an unfavorable decision or finding during training and/or assessment. An appeal must be made in writing and specify the particulars of the decision or finding in dispute. Appeals must be submitted to Rockford College within **seven calendar days** of the student is informed of the decision or finding.

Appeal of Decisions could be about;

- course admissions
- refund assessments
- response to a complaint
- assessment outcomes / results

Early resolution of complaints & appeals

In all cases, issues that arise during training and assessment that are the source of frustration or are in dispute should be resolved at the time, as they occur between the persons involved, where possible. Sometimes, it will not be possible and in these cases, you are encouraged to come forward and inform us of your concerns with the confidence that you will be treated fairly.

Principles of resolution

- Rockford College is committed to developing a procedurally fair complaints and appeals process that is carried out free from bias, following the principles of natural justice. Through this policy and procedure, Rockford College ensures that complaints and appeals are;
 - responded to in a professional, consistent, and transparent manner.
 - responded to promptly, fairly, objectively, with sensitivity and confidentiality.
 - able to be made at no cost to the individual.
 - used as an opportunity to identify potential causes of the complaint or appeal and take actions to prevent the issues from recurring as well as identifying any areas for improvement.
- Rockford College will inform all persons or parties involved in any allegations made as well as providing them with an opportunity to present their side of the matter.
- There are no charges for students to submit, a complaint or appeal to Rockford College or to seek information or advice about doing so.
- Nothing in this policy and procedure limits the rights of an individual to take action under Australia's Consumer Protection laws and it does not circumscribe an individual's rights to pursue other legal remedies.

Complaints and Appeal Handling Procedure

Rockford College is committed to providing fair and transparent complaints and appeals process that includes access to an independent external body if required. Students can make a complaint or an appeal by completing one of the followings forms which can be accessed via our website or through the reception.

All complaints must be dealt with in a constructive and timely manner. Rockford College will set out the process in “Plain English” on the website, in pre-enrolment information and we will emphasis this information at the induction and orientation.

Most complaints that may start due to any grievances may involve a procedure to handle the complaint in an informal level. Rockford College expects to resolve such complaints at this level within 10 working days with our focus on our students and staff satisfaction.

Records of complaints that escalate to a formal complaint or written complaint will be recorded on our Complaints and Appeals Register.

Similar grievances from more than one student will be further investigated as this would indicate an area for improvement of college operations or services.

Management will consider complaints as a matter of priority, within the guidelines of legislation and following our procedures. All internal avenues for resolution will be pursued from the initial grievance or complaint, through to a formal complaint and possible appeal of the decision.

We include complaints as an agenda item in our management meetings.

Timeframes for resolution

- The complaint or appeal will be acknowledged in writing within 3 business days.
- The complaints and appeals process will commence within 10 business days of receipt of the application. Complaints and appeals will be finalized as soon as practicable or at least within 30 calendar days unless there is a significant reason for the matter to take longer.
- In matters where additional time is needed, the complainant or appellant will be advised in writing of the reasons and keep him/her up to date on the progress of the matter.

Resolution of complaints and appeals

- CEO or person in charge such as Director of Studies or Academic Manager and other members of the management and administration team of Rockford College will be involved in resolving complaints and appeals as outlined in the procedures.
- Where a complaint or appeal involves another individual or organisation, they will be given the opportunity to respond to any allegations made.
- Where a third-party delivering Services on behalf of the Rockford College is involved, they will also be included in the process of resolving the complaint or appeal.
- Each party involved in the complaint or appeal may have a support person of their choice present at meetings scheduled to resolve the issue.
- In the case of an assessment appeal, an assessor who is independent from the original decision will assess the original task again. The outcome of this assessment will be the result granted for the assessment task. The complainant or appellant will be advised in writing of the outcome of the process and the reasons for the findings made.
- The enrolment status of student will be handled as follows:
 - For international students, Rockford College will maintain a student’s enrolment throughout the internal appeals processes without notifying Department of Education, Skills and Employment via PRISMS of a change in enrolment status. In the case of an external appeals process it will

depend on the type of appeal as to whether Rockford College maintains the student's enrolment as follows:

- If the appeal is against Rockford College's decision to report the student for unsatisfactory course progress or attendance, the student's enrolment will be maintained until the external process is completed and has supported or not supported Rockford College's decision to report.
- If the appeal is against Rockford College's decision to defer, suspend or cancel a student's enrolment due to misbehaviour, Rockford College will notify Education Department via PRISMS of a change to the student's enrolment after the outcome of the internal appeals process.

Independent Parties

- Rockford College acknowledges the need for an appropriate independent party to be appointed to review a matter where this is requested by the complainant or appellant and the internal processes have failed to resolve the matter. Costs associated with independent parties to review a matter must be covered by the complainant/appellant unless the decision to include an independent party was made by Rockford College.
 - For domestic students, the independent party recommended by Rockford College is Resolutions Institute, Level 1 and 2, 13-15 Bridge Street, Sydney NSW 2000, www.resolution.institute. However, complainants and appellants can use their own external party at their own cost. Domestic students may also access the external complaint avenues indicated below free of charge.
 - For international students, the independent party is the Overseas Students Ombudsman. This service is free of charge. Where an international student is not satisfied with the outcome or conduct of the internal process, they are referred to the Overseas Students Ombudsman (OSO). See information under external complaint avenues.
 - Rockford College will provide complete cooperation with the external mediator investigating the complaint/appeal and will be bound by the recommendations arising out of this process.
 - CEO or person in charge such as Director of Studies or Academic Manager will ensure that any recommendations made are implemented within twenty (20) calendar days of being notified of the recommendations. The complainant or appellant will also be formally notified in writing of the outcome of the mediation, and any recommendations being actioned by Rockford College.

External complaint avenues

- Complaints can also be made via the following avenues:

- **National Training Complaints Hotline:**

The National Training Complaints Hotline is a national service for consumers to register complaints concerning vocational education and training. The service refers consumers to the appropriate agency/authority/jurisdiction to assist with their complaint. Consumers can register a complaint with the National Training Complaints Hotline by:

- **Phone:** 13 38 73, Monday–Friday, 8am to 6pm nationally.
- **Email:** ntch@education.gov.au

- **Australian Skills Quality Authority (ASQA):**

Complainants may also complain to Rockford College's registering body, Australian Skills Quality Authority (ASQA). However, ASQA does not act as an advocate for individual students and is not responsible for resolving disputes between students and training providers. ASQA uses information from all complaints as intelligence to inform regulatory activities and will generally refer students to another organisation for resolution of complaints.

For more information, refer to the relevant webpage below before making a complaint to ASQA:

<https://www.asqa.gov.au/complaints>

• **The Overseas Student Ombudsman (OSO)**

International students may complain to the OSO if their complaint is in relation to Rockford College:

- refusing admission to a course
- course fees and refunds
- course or provider transfers
- course progress or attendance
- cancellation of enrolment
- accommodation or work arranged by your provider
- incorrect advice given by an education agent.
- if you believe the campus has failed to or taken too long to take some action. This might include (for example), failing to provide your results in the normal timeframe, or failing to provide services included your written agreement with Rockford College.

The OSO may not be able to investigate your complaint if you have not already exhausted our formal internal complaints process as above.

Please refer to the following website if you are considering making a complaint:
<http://www.ombudsman.gov.au/making-a-complaint/overseas-students#quality-of-education-provider>

If you decide to proceed with external appeal, you should notify Rockford College of this, so the time is allowed for this process. Student MUST provide (within 5 working days) the evidence of where a student has accessed an external appeal process. To apply for External Review a student must complete an application form available at;

<https://www.ombudsman.gov.au/making-a-complaint/online-complaint-form>).

Procedure for a complaint and appeal

1. Discuss the issue with the member of staff or trainer involved or course participant

- There might be a complaint about:
- Rockford College and administration staff
 - The course or assessment result
 - A Trainer or an Assessor
 - Another course participant or person at the College
 - Any third-party providing Services on behalf of Rockford College and including education agents.

	<p>We encourage participants to talk directly with the person involved and see if the issues of concern can be sorted out at an informal level.</p>
<p>2. Discuss the issue with the Manager</p>	<p>Where talking with the person directly involved is not appropriate, the complaint can be discussed with a member of staff (Student Services Team Members or Director of Studies or Academic Manager or CEO).</p> <p>The CEO or person in charge will communicate with the complainant, discuss the matter with other parties and seek immediate resolution of the matter. The process will be fair and transparent and take a minimum of 10 working days to process.</p>
<p>3. Fill in the written complaint form and it will be considered by the CEO or Person in charge</p>	<p>If the complainant is not satisfied with the suggested resolution, the CEO or person in charge will advise him/her to put the complaint in writing in our complaints and appeal form and submit it. This form can be found in our website and our reception. Student Services will acknowledge the receipt of the complaint and the date received within 3 business days.</p> <p>The complaint and appeal process will commence within 10 business days of receipt of the application. Complaints and appeals will be finalized as soon as practicable or at least within 30 calendar days unless there is a significant reason for the matter to take longer.</p> <p>Rockford College may use an agreed third party to consider the complaint and the proposed resolution to make the process fair and transparent.</p>
<p>4. How we advise of the complaint resolution and give written notification of the decision.</p>	<p>A meeting or phone conference may be offered to the complainant. A support person can be there with the complainant. Details of any meetings with the complainant will be recorded in writing. The written statement of Rockford College's decision, including details of the reasons for the outcome will be provided to the complainant.</p> <p>The CEO or person in charge will follow our policies and procedures to ensure the process will be fair and transparent. Internal decision making and resolution between the complainant and the College will be finalised as soon as practicable or within 30 calendar days unless there is a significant reason for the matter to take longer.</p>

	<p>In matters where additional time is needed, the complainant or appellant will be advised in writing of the reasons and keep her up to date on the progress of the matter.</p>
<p>5. If our internal process has not worked, you can seek a review or appeal the RTO decision.</p> <p>We move to mediation</p>	<p>If agreement still cannot be reached, or the complainant is not satisfied with the College decision, then he/she can seek a review and appeal that decision. This is the final step in our internal complaints' resolution process, and we hope the complaint can be resolved to the satisfaction of all parties. An independent party will be utilized for mediation, for example, the Resolution Institute. However, this will be at the student's costs. Again, the decision of the mediation will be recorded and sent to all parties within 28 days of the final mediation meeting. This will be the final decision. We do expect this to be completed within 60 days. If more time is needed, the CEO or person in charge will write to the complainant explaining the reasons for delay and keep him/her up to date on the progress of the matter.</p>
<p>6. Complaints are in registers and the quality assurance system.</p>	<p>Complaints and appeals are logged in the complaints and appeals register, reported to management meetings, and retained in our compliance records. Rockford College treat complaints as feedback that can improve our client services and quality assurance in the college. The CEO or person in charge are required to acknowledge formal complaints and rectification in reporting against the standards for Colleges.</p>
<p>7. External appeal- Take the complaint to an external agency.</p>	<p>Once mediation has been provided and finished, the CEO or person in charge will advise the complainant that all internal processes have been exhausted. There are external agencies who can deal with the complaint where the complainant wishes a review or appeal against Rockford College's decision.</p> <p>If an international student is dissatisfied with the outcome of Rockford College's internal appeal procedure, student can access external appeal through the overseas student ombudsman.</p> <p>Student will be asked to visit the following website to access external appeal process.</p> <p>https://www.ombudsman.gov.au/making-a-complaint/online-complaint-form.</p> <p>Note: If the complainant decides to proceed with external appeal, they should notify Rockford College of this, so the</p>

	<p>time is allowed for this process. Student MUST provide (within 5 working days) the evidence of where a student has accessed an external appeal process. To apply for External Review a student must complete an application form (available on;</p> <p>https://www.ombudsman.gov.au/making-a-complaint/online-complaint-form).</p> <p>Rockford College maintains the student's enrolment (i.e., does not report the student for unsatisfactory progress or attendance) until the external complaints process is complete and has supported the Rockford College's decision to report. Rockford College will wait for the outcome of the external process in this case as reporting a student for unsatisfactory progress or attendance has serious consequences for the student's visa – it may result in automatic cancellation.</p> <p>If the appeal is against the Rockford College's decision to defer or suspend a student's enrolment due to misbehaviour or to cancel the student's enrolment as per Standard 9, Rockford College only awaits the outcome of the internal appeals process (supporting the provider) before notifying DET through PRISMS of the change to the student's enrolment. Once DET has been notified of a deferment, suspension or cancellation of a student's enrolment, the student must contact Department of Home Affairs (DHA) regarding their visa status.</p>

- Rockford College students may invite a friend/representative to be with them at any stage of the grievance resolution procedure. However, the friend/representative can only be present with the permission of the Rockford College student going through the stages of complaint resolution.
- Each complainant or appellant has an opportunity to formally present his/her case at minimal or no cost to him/herself.
- Each party may be accompanied and assisted by a support person at any relevant meetings.
- Rockford College will maintain student enrolments while the complaints and appeal process are ongoing as per Standard 6 of the National Code 2018.
- The process commences within 10 working days of lodgement and finalised as soon as practicable or within 30 calendar days unless there is a significant reason for the matter to take longer.

Assessment Appeal

Rockford College will also provide a fair and transparent appeal process for assessment appeals. The Director of Studies or Academic Manager will manage the assessment appeal policy and processes across Rockford College's courses.

Rockford College will set out the process in plain English on the website, in pre-enrolment information and emphasise this information at induction.

Records of assessment appeals that escalate to a written appeal will be recorded on our Assessment Appeals Register. The appeal, assessment tasks and history of marking and feedback are kept on file and reviewed to ensure that they are fairly dealt with according to legislation, policy and procedure.

Similar requests from more than one student for assessment appeals for a particular task and assessor will be further investigated as this may indicate an issue in the assessment process for the course.

Assessors will moderate assessment decisions to check for validity, consistency and fairness.

Management will consider assessment appeals in a timely manner and within the guidelines of our procedures. They are an opportunity to improve our training, assessment and client services.

Procedure for an assessment appeal:	
1. Discuss your results with the Assessor who marked your work	If the student has a grievance about the results, the Trainer/Assessor will immediately discuss the feedback provided and the assessment outcome to clarify the decision of Not Satisfactory or Not Yet Competent. This must be done within 14 days from the result date. There are opportunities for re-submission and re-assessment as explained in the Student Handbook and during the course so most assessment matters can be resolved at this stage.
2. Review - Request a re- marking by the same Assessor or another Assessor	If agreement cannot be reached, the student has the right to request a re-marking where the work is assessed again by the same Trainer/Assessor, or that another Assessor undertakes the marking of the submitted work for assessment. This must be done within 14 days from the result date. The Director of Studies or Academic Manager will acknowledge receipt of appeal and date received.
3. Fill in and send a written assessment appeal form that will be considered by the Academic Manager	If the assessment decision remains Not Satisfactory or Not Yet Competent after the re- marking and the participant is still not satisfied, then the Director of Studies or Academic Manager shall discuss the assessment decision with the student and the Assessor. The request must be submitted in an assessment appeal form within 28 days of the date of the remarked results. The Director of Studies or Academic Manager will acknowledge the receipt of the appeal and the date received.
4. The Appeal resolution by meeting or phone, then the CEO will send written notification of the decision	A meeting or phone conference may be offered to the complainant. A support person can be there with the complainant. Details of any meetings with the complainant will be recorded in writing. The written statement of Rockford College's decision, including details of the reasons for the outcome will be provided to the complainant. The CEO or person in charge will follow our policies and procedures so the process will be fair and transparent. Internal decision making and resolution between the complainant and the CEO or the person in charge will be finalised as soon as practicable.
5. If our internal process has not worked; appellant can seek a review or appeal the decision. We move to external marking.	If the appellant is still not satisfied with the result and wishes to pursue the matter, we offer an external mediation and assessment service through a qualified third-party Assessor. This is the final step in our internal complaints' resolution process, and we hope the assessment decision can be resolved to the satisfaction of all parties. Again, the decision by a third-party Assessor will be recorded and sent to all parties within 28 days. This will be the final decision.
6. You have 3 months to submit assessment appeals	Formal written appeals against an assessment decision must be submitted within 3 months of the submission date of the assessment. Appeals will not be considered after that date.

7. Appeals improve our quality of training and assessment system	Complaints and appeals are logged in the complaints and assessment appeals register, reported to management meetings, and retained in our compliance records.
8.External appeal- Take the complaint to an external agency	<p>If a student is dissatisfied with the outcome of Rockford College's internal appeal procedure, student can access external appeal through the overseas student ombudsman. Once mediation and the external assessment services has been provided, Rockford College will advise the student that all internal processes have been exhausted. He/she can take the matter to the external appeal body.</p> <p>Student will be advised to visit the following website to access external appeal process. https://www.ombudsman.gov.au/making-a-complaint/online-complaint-form. Note: If the complainant decides to proceed with external appeal, they should notify Rockford College of this, so the time is allowed for this process. Student MUST provide (within 10 working days) the evidence of where a student has accessed an external appeal process.</p> <p>To apply for External Review a student must complete an application form (available on https://www.ombudsman.gov.au/what-we-do/Can-we-help-you)</p>
9.Take the appeal to other external body	<p>National Training Complaints Hotline. Phone: 13 38 73 Mon-Friday 8am – 6pm</p> <p>Written complaints can be emailed to https://www.dese.gov.au/national-training-complaints-hotlinemailto:skilling@education.gov.au</p>
10.The role of ASQA in investigating issues around quality of training and assessment after internal processes are exhausted	<p>Rockford College will also provide a link on the website and information in the website FAQ's about the RTO regulator's complaints handling process. The Australian Skills Quality Authority (ASQA) is the national regulator for Australia's vocational education and training sector, it regulates courses and training providers to ensure nationally approved quality standards are met. It is not ASQA's role to arbitrate between aggrieved parties. ASQA receives and investigates complaints in order to manage the risk of training providers not complying with their legislative obligations. Participants will be informed of ASQA's role at induction.</p>

Records of complaints and appeals

Rockford College will maintain a record of all complaints and appeals and their outcomes and reasons for the outcomes on the Complaints and Appeals Register, which will be securely stored according to the Privacy Policy and Procedures.

Course Credit and Recognition of Prior Learning (RPL)

The decision to assess prior learning or grant course credit will preserve the integrity of the award to which it applies and comply with requirements of the underpinning educational framework of the course. If Rockford College grants an overseas student RPL or course credit that reduces the overseas student's course length, Rockford College will (i) inform the student of the reduced course duration following granting of RPL and ensure the confirmation of enrolment (CoE) is issued only for the reduced duration of the course (ii) will report any change in course duration in PRISMS, if RPL or course credit is granted after the overseas student's visa is granted. Check the Schedule of Charges for fees of RPL.

Issuing of certification documents

On completion of your course and payment of all relevant fees, we will issue you with certification within thirty (30) days. For VET students this will include a Testamur and record of results that will show the units of competency achieved in the course and corresponding results.

Where a VET student withdraws or partially completes a course, a Statement of Attainment will be issued within thirty (30) days of withdrawal as long as all relevant fees have been paid. A record of results will only be provided with a statement of attainment where requested.

Rockford College reserves the right to with-hold the issuance of qualifications and Statements of Attainment until all fees related to the course or qualification have been paid, except where it is not permitted to do so by law.

Rockford College must have a valid USI on file for the student for a qualification or Statement to be issued

Re-Issuing Statements and Qualifications

Records of qualifications and unit achievement are kept on record for a period of at least thirty (30) years. Students can request copies of any of these statements or qualifications at any time for an additional charge. Refer to our Schedule of Charges.
